## J.C. BERMUDEZ DORAL SENIOR HIGH Community Service Project Report

Community service is a graduation requirement for Miami-Dade County Public Schools. J.C. Bermudez Doral Senior High School students are required to complete a minimum of 100 hours. Once you have completed the required 100 hours, please submit the packet to your counselor. Any additional hours should be submitted to your counselor as they are completed.

Community service projects are well-planned, organized, and voluntary efforts designed to address a specific need in the community. Well-conceived projects provide students with the opportunity to plan and implement a project to which they feel personally committed.

Community service hours must be done at a NON-PROFIT organization. You shall not accept or receive compensation for the community service project. It involves **volunteering** your time at one or more of the following organizations: Hospitals, Libraries, Zoo, Religious Centers, Senior Citizen Centers, Nursing Homes, Schools, Museums, Charities, Parks, and/or any other non-profit institutions approved by your counselor.
