# INSTRUCTIONS FOR SEARCHING AND SELECTING COURSES USING THE DUAL ENROLLMENT STUDENT PORTAL

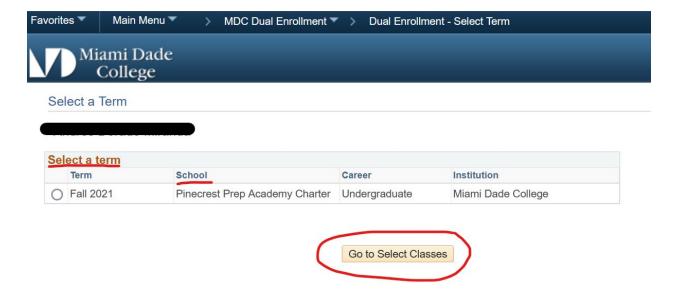

**STEP 1:** USE the following link to log into your MDC Account:

http://destudent.mdc.edu

STEP 2: Select Term for Dual Enrollment Registration

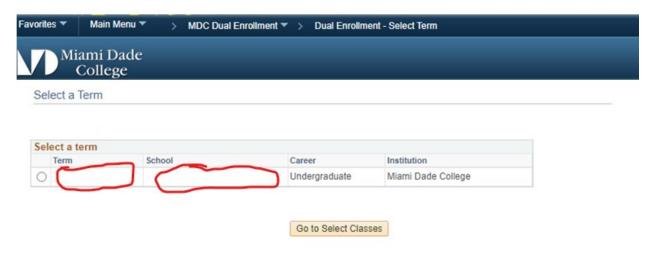

Question: What happens if I changed schools, or my school is listed incorrectly?

**Answer:** Please notify your school counselor immediately AND select the school of record before continuing on to the next step.

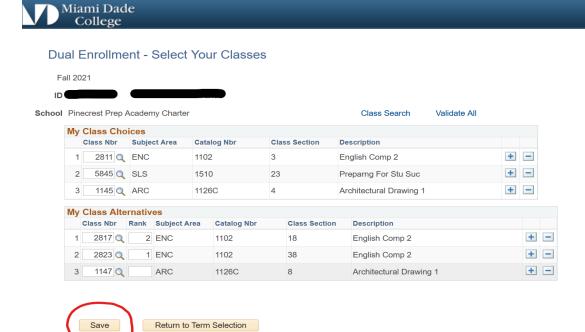

Question: What happens if my screen is blank?

**Answer:** your admissions application, on file with MDC, does not indicate dual enrollment. Please access the correct link that states Dual Enrollment on: <a href="https://mdcwap.mdc.edu/admission/">https://mdcwap.mdc.edu/admission/</a>

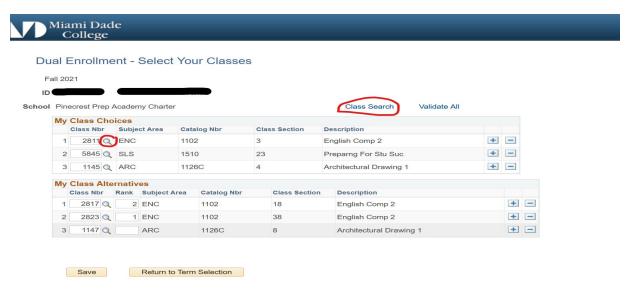

# STEP 3: Add Classes to Your Shopping Cart

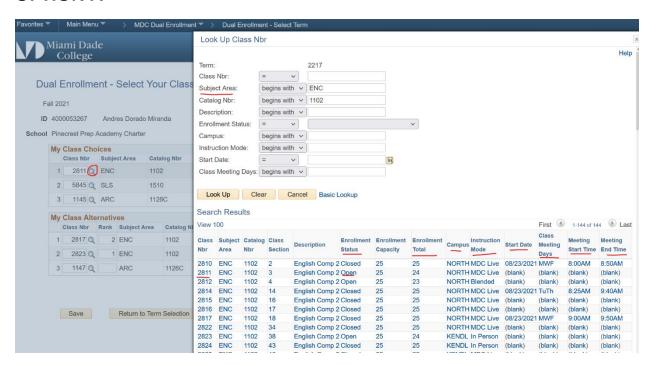

\*\*IMPORTANT: Don't Forget to Save the Courses to your shopping cart.

## **IMPORTANT TIPS:**

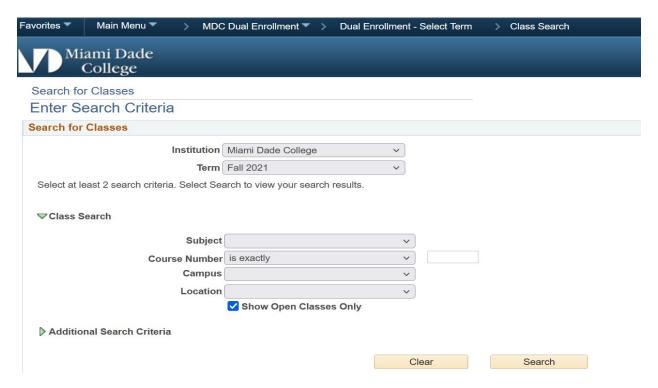

1. There are two ways to search for classes.

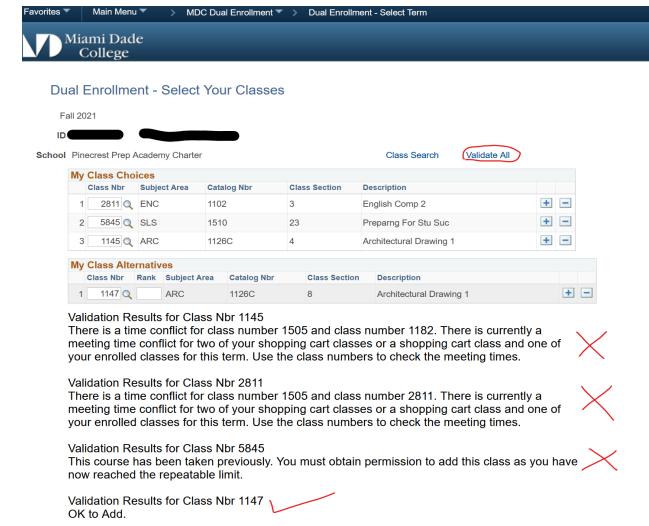

#### **OPTION A**

### **OPTION B**

2. Remember to validate your courses, as this will help determine whether you are eligible to take the courses that you have selected. The system will screen for any pre-requisite or corequisite courses as well as other determining factors.

3. When selecting class alternatives, you can select different sections of the same course as well as different courses. If one of your class choices is closed by the time your enrollment request reaches MDC, the Dual Enrollment Coordinator will choose the alternate course that you <a href="mailto:rank#1">rank#1</a>. Please rank your alternate courses in terms of preference.
