AAA PROMISE PROGRAM

- The **AAA PROMise** program aims to protect motorists from the dangerous consequences of impaired and distracted driving.

How the AAA PROMise Program Works

The teen makes the following promise before celebrating prom and graduation:

- ✓ *I promise not to drive impaired or distracted.*
- ✓ *I promise not to let my friends drive impaired or distracted.*
- ✓ *I promise my parents I will get home safely or call them for help.*

- By making the **AAA PROMise**, the teen agrees to openly communicate with his or her parent/guardian regarding a plan for getting home safely on special nights such as prom and graduation.
- If a safe ride home is needed, the teen calls the parent/guardian for help and avoids getting behind the wheel.
- The parent/guardian then picks up the stranded teen and if help is needed getting the family car home, the parent/guardian can call 1-800-AAA-HELP, free of charge, member or not.
