Specialty Camps

<p>Applied AI in Business The AI in Business Camp immerses participants in AI's role in business through hands-on projects and expert-led sessions. They develop innovative solutions to tackle real-world challenges Price: Scholarship available with a \$30 Registration Fee Dates: 06/09 – 06/13</p>	
<p>EV Evolution Start your camp with a tour of our TESLA lab! EV Evolution is a five-day hands-on challenge where teams design, build, and race their own electric vehicles. Participants collaborate on assembly, create custom 3D-printed logos, and refine performance through testing. The event culminates in a thrilling race, with the winning team earning a commemorative award. Price: Scholarship available Dates: 06/23 - 06/27</p>	
<p>The Apple Swift Experience In this camp, participants will learn Swift, Apple's programming language, and create their own mobile apps using Xcode. Through interactive projects, they'll develop and deploy apps for iPhones and iPads, culminating in a demo-style showcase. It is highly recommended to take Bloomberg Finance Fundamentals Camp first, as it builds essential financial skills to connect seamlessly with Podcast/Shark Tank Price: Scholarship available Dates: 06/23 – 06/27 or 07/07 – 07/11</p>	
<p>Bloomberg Finance Fundamentals Dive into the world of finance with the Bloomberg Finance Fundamentals Camp. This engaging course introduces essential finance and investment concepts through interactive scenarios, equipping students with money management skills and insights into the finance sector. In addition, students will also learn about managing portfolios, various types of investing tools and strategies as well as careers in the finance industry. Students will also participate in an exciting weeklong investment challenge, utilizing strategies and trading skills in a competitive, real-time market simulation. Highly recommended as the first class to take prior to Apple Swift and Podcast/Shark Tank. Price: \$290 Dates: 06/23 – 06/27</p>	
<p>PODCAST The Podcast/Shark Tank course immerses students in entrepreneurship, media, and pitching strategies through hands-on projects. Participants develop and present innovative ideas, enhancing their communication and business skills. It is highly recommended to take Bloomberg Finance first, followed by Apple Swift, prior to this course. Price: \$230 Dates: 06/30 – 07/03</p>	
<p>SAT Boot Camp The SAT Boot Camp helps students improve test-taking skills and boost scores through targeted instruction in math, reading, grammar, and writing. It begins with a diagnostic test and ends with a final SAT-style assessment to measure progress. . Price: \$250 Dates: 07/07 – 07/11</p>	
<p>College Exploration The College Exploration Camp helps high school students navigate college prep through workshops on applications, financial aid, and major selection. It includes campus tours, guest speakers from FIU and UM, and a visit to MDC's Wolfson Campus to explore specialized programs. Price: \$320 Dates: 07/14 -07/18</p>	
<p>Introduction to Health Care Explore exciting careers in just one week with hands-on experience in our simulation lab. Earn an American Heart Association Heart Saver certificate and master vital sign techniques. Price: \$259 Dates: 07/21 – 07/25</p>
